\*Time given is based on number of members present in the group during presentation.

You can find the [zoom link](#) in Blackboard under “Project Week 18 Final Presentation”.

Do arrive on time for your own group’s allocated time slot as the schedule is tight. You can arrive slightly earlier and I’ll place you under your own group’s Breakout Room to test your slides and demo with each other.

Please rehearse and prepare your presentation data before the actual day.

Best regards,

**Chan Yuen Loong**
